

Equip Hospitality House's Young Clients to Learn

Hospitality House's clients aren't only in need of food.

Every year, Hospitality House provides clients in kindergarten through 12th grade with backpacks full of school supplies.

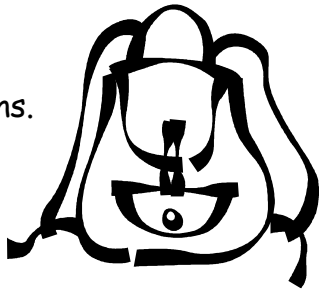

This year, over 400 students are expected to be served by Hospitality House's Back-to-School program.

Can you help ensure that all children in our area are equipped to learn?

Hospitality House is in need of donations of the following items:
